Forward-Looking Statements

This press release may contain certain “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, that reflect SPLP’s current expectations and projections about its future results, performance, prospects and opportunities. Forward-looking statements are based on information currently available to the Company and are subject to a number of risks, uncertainties and other factors that could cause its actual results, performance, prospects or opportunities in 2013 and beyond to differ materially from those expressed in, or implied by, these forward-looking statements. These factors include, without limitation, SPLP’s subsidiaries need for additional financing and the terms and conditions of any financing that is consummated, their customers’ acceptance of its new and existing products, the risk that the Company and its subsidiaries will not be able to compete successfully, and the possible volatility of the Company’s unit price and the potential fluctuation in its operating results. Although SPLP believes that the expectations reflected in its forward-looking statements are reasonable and achievable, any such statements involve significant risks and uncertainties and no assurance can be given that the actual results will be consistent with the forward-looking statements. Investors should read carefully the factors described in the “Risk Factors” section of the Company’s filings with the SEC, including the Company’s Form 10-K for the year ended December 31, 2012 for information regarding risk factors that could affect the Company’s results. Except as otherwise required by federal securities laws, SPLP undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, changed circumstances or any other reason.
